## Suggestions to enhance your enjoyment of our wellness facilities

**Just say yes!** If you decide in advance which treatments you would like to have – you can already do so when you reserve your room – you can start enjoying yourself even before you arrive. You will already start relaxing in anticipation of your holiday.

**Being well organised means no stress** In order to fully enjoy a relaxing treatment we advise you to arrive at the SPA reception in your bathrobe 5 minutes before the treatment is due to start. Please leave your jewellery, valuables and mobile phone in your room. We will do our utmost to start your treatment punctually. If you arrive late, we will unfortunately have to reduce the length of your treatment. We apologise for any inconvenience.

**Please inform us** Certain treatments are not recommended in the case of pregnancy or illness. We will gladly advise you on matters concerning your health and well-being.

**Shhh!** Peace and quiet are the most essential ingredients of rest and relaxation. Please leave your mobile phone in your room. The time you spend in our Vitality World is your time. Be unavailable to the outside world and enjoy your time away from the hustle and bustle of everyday life.

*You can reserve directly  
via the internal telephone  
numbers 634 and 111.*

**Clothing** It is more pleasant for you and it also saves time if you come for your treatment in your bathrobe and underwear. We also have disposable underwear for your use.

**With / without a swimsuit** Out of consideration for our guests from other cultures as well as for children and young people, access to the saunas in the pool area of our Vitality World is only allowed in swimsuits. On the Vital SPA level, it is a requirement that you enter the saunas without swimsuits.

**Shaving** We recommend men to shave 3 to 4 hours before a facial treatment.

**Bathing rules** Guests using the saunas, pools and other facilities do so at their own risk. Please see our bathing rules.

**Cancellation** If you are unable to keep your appointment, please cancel it 8 hours in advance. If you cancel later, we regret that we will have to charge you the full amount.

**Have a relaxing stay!**
